

WOODCHURCH

Classic Cuvée 2015

WOODCHURCH

The vineyard is situated on the edge of the picturesque village of Woodchurch in Kent – the garden of England. Set on hills looking south over the ancient Romney marsh down to the English channel, our land has the perfect geography and climate to produce the highest quality grapes and the finest English sparkling wine. Our wines are carefully hand-crafted to express the characteristics of each individual season.

2015 VINTAGE

The 2015 harvest was a great success, not only did we pick a record number of grapes, the fruit was also excellent quality. The September sun ripened the fruit fast, the warm days coupled with the cold nights kept both the sugar and the acid levels high,
