ICON GUIDE

This key to our icons will help you identify them as you use this catalogue, and select the appropriate products.

PASABAHCE PRODUCT

Many of our glassware ranges are from our exclusive supply partner Pasabahce, these glassware items offer exceptional quality and design.

ACTIVATOR MAX

A laser nucleation technology to further enhance the appearance of carbonated drinks.

SAN

Styreneacrylonitrile is stronger than polystyrene and can take a high amount of usage but will break under heavy pressure.

CUTLERY PERSONALISATION

Eternum cutlery can be personalised through colour coating, stamping, etching, laser engraving and diamond engraving.

CRYSTAL

A selection of Utopia's glassware ranges are made from fine crystal giving clarity and finer rims.

TOUGHENED RIM

Many Utopia Glassware items have strengthened rims to reduce chipping and breakage.

POLYSTYRENE

Not as strong as Polycarbonate, Polystyrene items are often used for shot glasses where strength is not as important.

SYR EDGE CHIPPING GUARANTEE

Utopia's 5 year edge chipping guarantee on a selection of ceramic products allows for free of charge replacement of chipped products.

LINED & CE

Many of our glassware items can be government stamped and lined to satisfy all European legal hospitality requirements.

RIM AND FOOT GUARANTEE

Utopia's rim & foot guarantee on a selection of products allows for free of charge replacement of breakages to the rim or foot of glassware.

100% RECYCLED

Made from 100% Recycled Glass.

EN13432 ACCREDITATION

This icon denotes that the straw has EN12432 accreditation. This certification focusses on compostability, making sure Utopia's non-metallic paper straws adhere to strict standards concerning biodegrading so they only have a positive impact on the environment.

TOUGHENED GLASS

Fully toughened glassware withstands greater impact, making the glass stronger therefore increasing longevity, when it finally does break it will break into small blunt pieces increasing safety. Ideal for outlets with glass related violence or those with specific license stipulations.

POLYCARBONATE

Polycarbonate is a very strong and virtually unbreakable plastic, the strongest plastic of all.

STACKING

Items that are designed to stack when space is at a premium.

UMAMI

Japanese Artisan Tableware
